Dear Mr. Relander,

It has been a long time - but I wanted to say that I was very happy with the Little Colonel books which you sent me and I hope you liked the old side saddle.

I was just wondering if you might have copies of the "Little Colonel Paper Doll Books"? These were books of paper dolls of Little Colonel and Mary Ware characters.

I am enclosing an envelope, stamped and addressed, for your convenience. I am trying to locate these for my personal collection.

Thank you very much.
