Dear Chick,

If you will excuse
this pretty paper, I will
go ahead and use it.

I appreciate you writing
and giving me the low-
down on Lee. I only wish
I had answered it before
now. You see, Lee is
planning on coming over
this weekend and I want
you to see for me that
she does get here even if
it's the train. It means
the world to me to be able
to see her this weekend. I
wish she could get here Fri.
but even Sat. will be fine.
I would be willing to drive
over myself but I haven't

2/ I heard a word from her
this week. I thought I would
get a letter today, but it
will probably come tomorrow.
I have no way of getting
hold of her except by mail
and it seems a week is
shot by the time I get an
answer. I just tried calling
you and got no answer
so if I can't talk to you
tonight, I'll mail this
air mail and hope you
get it in time to make
some arrangements for her
if you want. I am
very concerned about her,
I guess you know I'm
pretty sincere when I say
she means the world to me
and I would do anything
for her to make her happy.
I sure wish she had a phone.

3/ She stayed home every night
in hopes she might call me.
Havent even done my
grocery shopping or washing.

If you see her, I sure
would appreciate it if you
would tell her to please call
me, that it is very important
she does. If she ~~can't~~ call,
can you? I want to
know for sure what the
score is about this weekend.
She was positive of being
over here, but like I say, I
havent heard from her - and
hope she isn't worse or
anything. It's not becoming
that worries me. I'm going to
go mail this now - its 9:00 P.M.
Hope you get this in time
to figure something out.
I will be very grateful to
you if you can get her
off for the weekend, and if
she comes by train, I have
my own car to go get her.

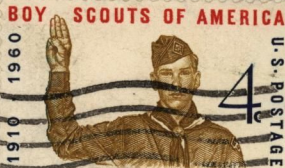

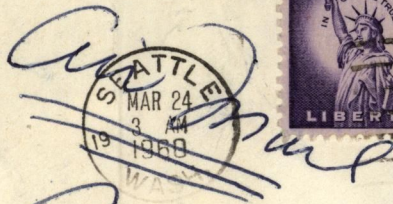

over

4/ But it is very important
that I see her this weekend
if it's at all possible. I know
It's not easy to explain too
much in a letter, but take
my word for it, It's important.
So there you are - you take
it from there - I can't do
any more here. I sure will
appreciate anything you can
do to get her up here, no
matter what time it is.
It doesn't necessary have to be
on a weekend, it can be
any day. I get home at 5:30 P.M.

So, I'll get this mailed
and here's wishing all of
us a lot of luck.

Regards,
Mac
