Dear Friend Click:

A nice letter from Bruce Wilson of Ritzville today tells of the completion of their historical society. Had 60 at their meeting last Sunday. He wants to thank both of us for our help.

I'm trying to get a historical marker for the Mullan Road in Adams County. I am confident it will be done if we can find the right location. I've asked Bruce for suggestions.

Had lunch Thursday with Reno Odlin. He appreciates very much the work you are doing for the Society.

Hastily
