Dear Friend Click.

Just a line to let you guys
know I am still alive. Haven't heard
from anyone from Waikiki for a long time.
I have been in business here in Catalina
for three years & doing fine. I have
a liquor store & The Club Tally Ho
The Port Hole & now I am building a
new club called The Catalina Club
which will top anything in Calif. I
am sending you one of our news paper
here on the island & there is two write ups
I would like you to read. Also we have a
Softball Team that you will notice &
we are right up there near the top. I
don't play much myself. Will tell every one
hello & if you ever come to Catalina look
me up.
