Mr. Gordon Gipson,
The Caxton Printers Ltd.,
Caldwell, Idaho.

Dear Gordon:

I have received a letter from Mrs. Maggie Kuempel writing for Shields, Books and Stationery, Pasco.

In connection with the book tour for Drummers and Dreamers she apparently has some kind of an arrangement with Mrs. Anna Peck of the Columbia Book Store, 1335 George Washington Way, Richland.

Shields also has a store at Richland.

Additionally, Mrs. Peck has a store at Moses Lake.

The two wish to "consolidate" orders for the various stores, as I get it, so they can purchase a block at a better discount. If such is possible, that would be 100 or more copies.

I am writing Mrs. Kuempel to that effect.

They wished to "cancel" previous small orders and then order a block. I am writing Mrs. Kuempel that she should communicate directly with you.

The previous orders amount to 15 books. One order for Mrs. Peck, five copies, was placed last September. That order I believe to be No. L38947.

Order No. L38944, for Shields was for 10 copies. It was placed last September.

I hope that something satisfactory all around can be worked out.

Sincerely
