Mr. Ed Foster,

E 108 1/2 Montgomery,

Spokane, Washington.

Dear Mr. Montgomery:

It was a pleasure to send you a copy of the "Treaty Centennial booklet, and one for my friends at the Spokane Library.

Don't know when I'll be coming to Spokane, but later I'll be there with some of my Indian sources. By later I refer to next spring when the book, for which friend Pete has turned the cover maps, will be published. Incidentally I owe Pete a letter but won't ~~xxxx~~ get around to it until later.

I'm glad to hear of your interest in Northwest history, and especially that it is a project that interests your wife as well as ~~xxxx~~ yourself.

That indicates you will be interesting people to meet and I am looking forward to that.

I wish it were possible for me to prepare to send copies of the forthcoming book, Drummers and preamers out to various friends, but you know how impossible that will be. And in the chance that you might be interested in such, I'm sending an advance circular. The publisher sent some recently and wants them sent out to prospective channels to give him an idea as to how many of the darned things he should turn out. If you care to place an order at this time, you may return it directly to me and you will be notified in due course by the publisher just before it is issued, or it will be sent according to your instructions.

Meanwhile if you see Pete tell him I'll be contacting him, by letter, ere long.

Sincerely
