TACOMA 3, WASHINGTON

OFFICE OF
THE DIRECTOR

December 21, 1955

Dear Click:

Thanks a lot for the company Christmas card. Naturally, I was glad the Simcoe building was selected, and the printing job was a beauty.

Sunday we had SNOW and since then rain. Seems as though there ought to be ashortage above very soon, but we like the rain better than snow, at that. Traffic Sunday was a mess . We had planned a nice pioneer Christmas program by Daughters of Pioneers but had to call it off.

Hastily

CHAPIN D. FOSTER, Director
