

September 5, 1935.

Mr. Hunky Shaw,
Yakima, Washington.

My Dear Hunky;

We are pleased to acknowledge receipt of \$25 payment on note of Kenneth Fields from the Student Loan Fund, dated Dec. 24, 1932. This completes payment on the principal but leaves \$4.65 due for interest. The interest rate, you know, is only 3%. We are very glad Kenneth has made good and that the loan has been of service to him. We will appreciate it if you will let him know what the interest payment amounts to and we hope this can be turned back to the fund soon.

Sincerely,

Yakima Rotary Club,

President.
