

Sept. 28-1951.

Dear Mr. Pelander: Am
sending you the pictures,
to copy and return
when you have made
your negative.

You can have
probably as many
negatives as you would
want for \$20.00.

You won't be able to
estimate the value of
them until you can
come down & look them
over. The U. of C. man did
not pick up the boxes, ex-
pecting to take them all.
Please let me know what
Martin Schmidt says. Yours
