Wash. State Historical Society
Yakima, Washington

Gentlemen:

As you know, there are seven curators of the Washington State Historical Society whose term expires at this time, as follows:

Mrs. Thos. P. Gose	Mr. Robt. Hitchman
Dr. Leon K. Jones	Mr. E. K. Murray
Mrs. Byron D. Scott	Mrs. Pearl Wanamaker
Mr. Archie Shiels	

Would very much appreciate it if you would advise what your recommendations are relative to making a report for the renomination and election.

I have not had any word from President Reno or Bruce as to their choices. Hope you can advise me promptly, and also do you think it would be advisable for the three of us to get together and talk it over before the meeting, after we have consulted with Reno and Bruce?

Your friend,

Arthur
