Dear Sir:

In reference to a letter of February 26, 1954, noting the suggestion for purchase of microfilm by Dr. Erminie Voegelin, may I call attention to the following:

Catalogue of Manuscripts in the Western Americana Collection
Yale University Library

p. 106 Fort Dalles

p. 106 Fort Vancouver

[Fort Simcoe Morning report book on hand and pertinent information will be included in transcript (typescripts)]

p. 186 (of obviously more potential possibilities), item 339, Mercer K.B.-Diary of a member of Company A, 1st Regiment of Oregon Mounted Volunteers during the Yakima War, from November 22, 1855 to March 16, 1856, 102 pp.

I am well satisfied that Dr. Voegelin is well familiar with the mass of source material in the Northwest Collection of Yale University Library, but to overlook no possibility, I respectfully call attention to the above items cited.

Sincerely

Cliff Relander
