Mr. Gordon Gipson, treasurer,  
The Caxton Printers, Ltd.,  
Caldwell, Idaho.

Dear Gordon:

Regarding the J.K. Gill Co., Portland, request for Drummers and Dreamers circulars, I have contacted , by telephone, Mrs. Edith Bristol, head of the book department.

She says to let the 5,000 order stand. She had forgotten that had been placed. They have two mailing lists, one for 5,000 and one for 1,000, but she wishes to use the complete list in this case.

The total will be 5,000.

Yesterday's dedication of Fort Simcoe State Park, adequately covered in Drummers and Dreamers as to the fort and its development, down to documenting the State Parks Commission, yesterday drew an attendance of 8,000 persons, a general and the governor.

Sincerely
