

SCULPTURE HOUSE, a unique institution and the only one of its kind in America is ready to provide the following services:

Enlargements of sculpture, plaster casting, stone casting in famous VATICAN STONE, Bronze, Lead, Silver and Pewter Casts, mass production casts in White Metal, Rubber and Plaster Composition.

Armatures built to order, special tools forged and hardened by skilled craftsmen.

Sculpture mounted in bases of wood, Bakelite, Belgian Black, Verde Antique or White Marble.

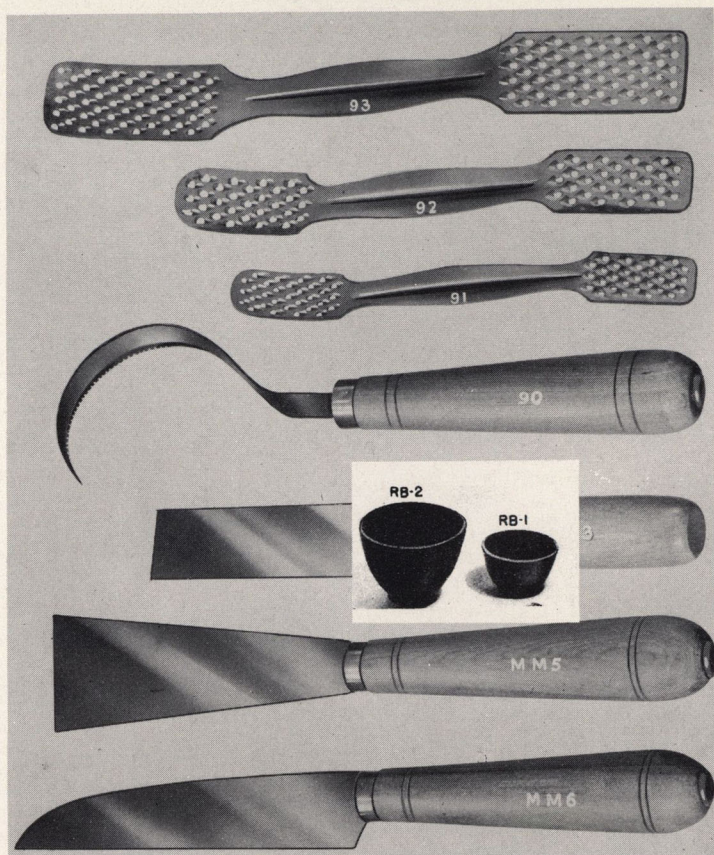

Rubber molds from which you can make your own replica casts.

Casts made of the new plastic materials.

Send for these special catalogs:

Wood carving tools and equipment
Ceramic tools and equipment
Modeling Stands and armatures
New Casting Materials
New direct Molding Materials, such as Sculptor's Mache
Rubber mold materials for making your own rubber molds
Casting Rubber, for making unbreakable hollow casts
Clays — Plastelins and PLASTICS that model like sculptor's clay.
