Mrs. M.P. Carmack,
Seattle, Washington,

Dear Mrs. Carmack,

As requested I am returning the decision of the
Comptroller General, etc.

On the 24th of this month I wrote the Secretary
as to the merits of your case and requested his assistance.
I hope that it may be the means of settling the matter.
You will, no doubt, hear directly from Washington in
regard to it, and I hope you may hear favorably.

Very truly yours,

John C. Ing, Register
