Mr. Click Relander
Yakima Republic
Yakima, Wash.

Dear Sir:

The magazine section of the Seattle Times for August 14th carried an article about a booklet about Yakima, authored by yourself and George M. Martin.

We would like to receive one or two copies for our files. Is it available free of charge? If not, please let us know price before sending. Thank you!

Very truly yours,

(Miss) Elfriede Gudelius
