Mr. J.H. Gipson, president,
The Caxton Printers, Ltd.,
Caldwell, Idaho.

Dear Jim:

Will you please place an order for four (4) copies of Drummers and Dreamers to be sent to the "Washington State Historical Society, Tacoma, Washington, care Mr. Chapin Foster.

The address is sufficient.

The books are for sale in the society's book department (a rather small one) so should be the usual 40 per cent discount, returnable.

In answering a request from Mrs. Louise Shelton, Shelton Book Shop, for a written inscription to be placed inside a copy, I have assured her that she should by this time, or within a day or so, receive the order for five copies of Drummers and Dreamers mailed to you Nov. 29.

The address is: Mrs. Louise Shelton, Shelton Book Shop, 422 North Pine St., Ellensburg.

On occasion of my weekend visit to Tacoma and Seattle in connection with a meeting of the State Historical Society, I dropped in at various stores, encouraging them to reorder etc. They say it is moving right along, by requests for that specific book and not because of the Christmas rush. That should be good.
