Mr. Click Relander

Yakima, Wash.

Dear Mr. Relander:

Please pardon the delay in my answering your letter of June 17th, with ~~its~~ enclosures, and information regarding your proposed visit to our store in October.

My cohort, Mrs. Morrison, has been on vacation, and as she shares in all the affairs of our department, I wanted her to read your letter. She has now returned, and we both feel it will be an excellent promotion. I am enclosing the leaflet with Rhodes of Seattle, etc typed in, as they wish to be done. We would like to have it definite on this point:- are you mailing out the circulars using your list, or do you want us to produce a list? If so do you wish the list forwarded to you?

In order to have an advertisement in a local paper, we would need a glossy print of you, and some material to give to the advertising department. That we won't need until September.

I am leaving on my vacation this coming Saturday, but Mrs. Morrison will be here, and is well acquainted with the details of you should be in our city soon.

I am

Looking forward to a good promotion,

Sincerely,
