Dear Click:

Thanks very much for your letter of August 31. We have a very nice Negro gal who is a teller in our bank and the other day she brought me a copy of Ebony, which is really the first one I ever saw close up. It is quite a magazine. It was thoughtful of you to send the copy. Incidentally, it was quite a coincidence that Gullander, President of the NAM, was on the same page as I was. He used to be Treasurer of Weyerhaeuser Company and a member of the Board of our bank.

Thanks also for the pictures of your project. They look awful good and I am very much impressed with the salmon jumping work. This sounds like great fun and I'll bet you are enjoying it.

Bea joins in sending our best regards to you both.

Yours very truly,

Reno Odlin
