Enjoy your holiday amid the natural splendor surrounding Strathcona Park Lodge Dedicated sportsmen and family groups alike, participate in the many activities provided and relax in the comfortable Lodge and Cabins.

LODGE . . . Our log lodge is an outstanding example of early Canada. It features comfortable lounges where fish grow in size as the evening progresses; a dining lounge offering superb home cooked meals with a gourmet touch; a coffee shop, and a small store for tackle and camping supplies. The rooms have been recently added and feature thermostatically controlled heat, private baths and complete hotel facilities. Each room has a view and your car can be driven to an exterior door.

COTTAGES . . . Lake-front units are self-contained with propane stoves, electric refrigerators and full bathrooms.

Smaller camper cabins with cold water, electric light, propane stove, bedding and dishes are also available. Wash house facilities with toilets, showers and a washing machine are close by.

CAMPsites . . . Three acres of the most beautiful lake front property have been reserved for campers. Access to the wash house facilities and beach are provided.

TRAILERS . . . Complete hookups for any size trailer are adjacent to the lodge.

PONIES . . . Welsh ponies are available for children.

SWIMMING . . . A semi-enclosed swimming area, with a white sandy beach, offers a safe and pleasant place to play and relax for children and adults. Water skiing is also popular.

SAILING . . . Catamarans ensure safe, thrilling sailing even for the beginner. Standard craft available also.

HUNTING . . . During the hunting season, the region abounds in deer, and the mountains offer the challenge of the elusive elk.

MOUNTAIN CLIMBING . . . Outstanding alpine scenery accessible by easy day climbs for beginners as well as challenging climbs on Vancouver Island's highest mountains for experienced groups.

FLOAT PLANE TRIPS . . . Trips to the many mountain lakes and coastal inlets are a must on the adventurer's fishing or hunting holiday.

CRUISER TRIPS . . . Experienced guides available to take guests by car to frontier fishing areas with a trailered covered day cruiser in tow. Boat is fast, safe and very comfortable and can accommodate six. During the Tyee season, in August, we keep large and small boats at Gold River.

STREAM FISHING . . . We are in the centre of a large number of top summer and winter steelhead rivers, such as the Gold and the Campbell. Class A guide available.

LAKE FISHING . . . We feature the best year around cutthroat fishing in British Columbia! There are 30 miles of lake on which you can spend days trolling, casting and fly fishing. Camp out over night in one of our tents and catch the early morning rise.

PHOTOGRAPHY . . . HIKING PAINTING . . . BERRY PICKING . . . or whatever your hobby or interests . . . pursue them in the beautiful surroundings of Strathcona Park Lodge.
