Re: various Yakima claims cases

Dear Sir:

Enclosed are copies, to be included with Yakima MS Addendum.

These include typescripts from copies [Pressed] of letters on file in the Yakima Indian Agency Office at Toppenish, Washington.

Much of the information is of no apparent value and has no apparent part in regard to the Yakima Claims Cases.

The copies are sent with the thought that fragmentary bits of information may be gained in due course of time if scanned by ethnological and historical experts assigned to the case.

It is also my belief that neither the originals of these letters, nor microfilm are available in the National Archives. Even were they, letters in this form are much easier to scan than microfilm which is so very tiring on the eyes.

This will also acknowledge receipt of Shipment of microfilm reels pertaining to the Oregon Agency Superintendency, and few miscellaneous rolls, sent on loan for scanning purposes. The loan is highly appreciated.

Additional typescripts will be forthcoming shortly and will include additional Yakima Agency Letter Record Book material and Washington Superintendency material from microcopies.

Sincerely
