Dear Mr. Relander:

Congratulations on the publication of your new beautiful and splendid book entitled "Strangers on the Land", a story of the Confederate Yakima Indian Nation.

I read the text with as much interest at a student. I am sure that your criticisms, if any received, meant well for your book.

I appreciate the consideration of your Tribal Chairman, Alex Saluskin, Chairman of the Yakima Indian Nation, for sending me a copy of your book.

Best regards to your Chairman.

Sincerely yours,
