

Nov.16,1926. Fide Bidwell

His own orchard planted 26 years ago as water was then available for the first time from the Taylor ditch at that particular spot. It was planted by E.B.McCracken. Orchard was planted in 1900.

The Taylor ditch comes from the Yakima river and was in the first instance built by five settlers. It was later extended where Mr.Bidwell's place is.

✓ Frank Henry planted an orchard north of Selah 30 years ago. ~~HENRY~~ under the Taylor dit ch

Pat Tyrrell planted an orchard under the Selah Naches canal, west of Selah 38 years ago.

Hicks <sup>on</sup> ~~DIANE~~ was the first to plant an orchard in Selah Heights. His place is near the S.M.McKee place.
