

Dear Ginny 4/26/68

I hope your laryngitis
is better & that you
can avoid becoming
over-tired. Spring is
here & up to the farm
for us this weekend.

Went to a cash sale
but didn't get any
gems - I guess it
is most difficult
now to find a treasure.

Did Blanche have
a nice birthday?

Lots of bridge
playing for me in May
& in July a course at
UVM on Adlerian
psychotherapy! Love
Dor

Dear Sunny & Chick

11/17/65

Have you had a
nice weekend
together & people
don't leave you
too early in the AM.

There is no news
here except I had
my new winter
tires put on this AM
& it began to snow
an hour after!

Dear Ginny, 4/27/67

It's a little warmer
here today. We're
looking forward
to a weekend at the
farm. I haven't
had a chance to
take any pictures
yet of the dog. I
plan to go to Forest
Jun & see the boys
on May 11. College is
ending - my two
students leave next
week. Am now at a
sundromat. Have you
are well organized for
work & housekeeping

with you and to
write about books.
Mrs Sengtton is
going into books
with her old jewelry -
she has a book on
Alaska & Klondike with
a map of the goldfields
etc by Tugersall. It
is listed at 12.50 without
the map. What is it worth
with the map?
