Dear Mr. Relander:

I am program Chair-
man for the Novella Club
of Sunnyside and I have
heard from several people
that you have given very
interesting programs on
early Valley history and
Indians

Are you still avail-
able for programming this
year, if so what is your
fee for an appearance?

Our club is a women's

group and we meet
for a luncheon on the 3rd
Thursday of each month.

If you are available
I would be interested
to know this.

Thanking you,

I am,

Sincerely

Mrs. R. L. Adamson

Dear Mr. Rebander:

I was most happy to hear from you and do hope the date we have open will be satisfactory.

The date we would like to have you appear will be November 17th. Our meeting time is at 12:30 p.m. for a luncheon, a short meeting follows and your program would start at approximately 1:45

The subject, The North-west during the Civil War

sounds very interesting,
also the Maryhill Museum
and Stonehenge and Sam
Hill, which ever you
have available would
be very satisfactory.

If you would let me
know as soon as possible
whether or not this will
meet with your schedule
I would appreciate it.

Thanking you sincerely
and hoping that we will
see you in November.

I am, sincerely
Mrs. R. E. Adamson
