To My Clients in The Dalles Dam
and John Day Dam Cases:

I am calling a general meeting of all my clients
for Sunday night, November 19, 1961, at seven o'clock at
the residence of Mr. and Mrs. Ambrose Whitefoot at White
Swan, Washington.

At this time I will give you a general report of
the progress of our lawsuit and a forecast for the future.
We will also lay plans for a committee of you to call on
Mrs. Catherine May, Member of Congress, Monday afternoon,
November 20th. You and your friends are invited to attend.

Very truly yours,

Frederick Paul

P.S. to Mr. Clark Relander:

Since you attended a meeting of mine several years ago
I thought your attendance at a sequel would be interesting. FP

Mr. Click Relander

Dear Sir:

From time to time I have tried to interest you in the plight of the fishing members of the Yakima Nation. I recall you attended one meeting when you seemed to be critical of my idea. I recall sending you some material and inviting you to one or two other meetings, both of which were ignored. I am going to make one final effort and invite you to another meeting at the Yakima Tribal Community House at White Swan Sunday, March 22nd, at 4:00 o'clock P.M.

Very truly yours,

Frederick Paul
