

Dorffort

January 16th

[1950]

Dear homage,

I really feel very guilty ... I hope you will
forgive me for not even sending a Christmas
card: the only excuse would be the many
hangovers from the Holidays. By the way
thank you for the pictures you send me last
June: they are very good almost as good
as the original ...!

I see you are quite busy with the art as-
sociation and I guess it is very interesting.

Saw René many times in N.Y. He, now,
has a very good job with a publishing Co.
on 42nd street. He already has two or three
books on the market; he is really very

talented and I believe will go very far; I never
had before a so good friend. He might live
next winter for a ~~business~~ trip to
France. How lucky! Of course he is taking
the French live!

No, I am not married. My girl friend Joanne
called me the day before Christmas: she left
last September for a trip all over the country with
a show about the Cinderella story. I believe
it is a show for children. I forget the name of
the troop which is very well known. She is now
playing in Pennsylvania. I really have a crush on
her; this time it's love, I know. She knows and
take too much advantage of it. So I am quite
unhappy and get nervous some time. Poor
Frenchman! I really feel sorry for myself and
I am sorry to bother you with my love stories.

Well, Judy's trial is still on: I still do not think she is guilty!

Did you see the picture "The Red Shoes"; ~~do not~~ go see it. It is out of this world, a real masterpiece. I saw "On the town" and "Prime of Jaxx" very good. Bette Kelly is terrific.

I left my job in Augeline and I am working now for an interior decorator temporary.

It is a lot of fun but no money. I am living for the New-York as soon as I find a job (somebody is taking care of it) and at the same time I am going to take a Diesel Engineering course for one year. It is the only way to get some place today. To specialize, unless one is a pretty clever guy which is not my case.

I hope you had a very nice Christmas and new year's day. Lots of luck for 1950: lots wishes
But sincerely.

I certainly did appreciate your card very much.

Write again, please, when you get a chance or
better than that, come to the east coast on a trip.
About that?

Hope you are fine and all your family.

Very sincerely

Pierre

We have had a terrific Christmas party in Angeline
Orchestra and everything. I was quite high but not
drunk like last year.

I just bought the record "as time goes by"

It's one of my favorite songs.
