ARBUCKLES'

Ariosa Coffee

**COSTS MORE AND IS
WORTH MORE THAN OTHER
BRANDS OF COFFEE.**

WHY?

- 1st. It is made from green coffee of higher grade and better drinking quality; and it is glazed at an actual cost to us of three-eighths of a cent per pound.
- 2d. Its entire strength and aroma are retained by our process of glazing coffee.
- 3d. The ingredients used in glazing are the choicest eggs and pure confectioners' "A" sugar; in testimony of this fact, see our affidavit on each package of coffee bearing our name.
- 4th. The glazing, composed of eggs and sugar, not only retains the full strength and aroma of our coffee, but gives to it a richness of flavor unknown to other coffees; besides it saves the expense of eggs used in settling unglazed coffee.

BEWARE of buying low-grade package coffee, falsely purporting to be made of Mocha, Java and Rio; this being a cheap device, employed by the manufacturers, to deceive unwary consumers.

This series of cards is at once the most interesting, instructive and artistic, yet offered as an advertisement. Every card is a study in itself, and affords an object lesson for both young and old. THE SERIES CONSISTS OF FIFTY CARDS, each one of which shows a correct map (properly bounded) of one State, or Territory. The pictures illustrating the peculiar industries and scenery of the States and Territories are entirely new, and by the very best American artists.

If you chance to get two cards of one kind, your neighbor also may have two of a kind, in which case you can exchange with each other.

DR. HARTER'S IRON TONIC

**THE BEST
BLOOD PURIFIER
ON EARTH.**

ACTS like a charm on the digestive organs. In a low, weak, tired and tremulous state of the system it is revivifying and peculiarly happy in its results. The *Iron* restores richness and color to the blood. Calisaya Bark gives a natural, healthful tone to the digestive organs. Phosphorus is a mild stimulant to the Brain and Nervous system, with special action on the *Kidneys*, Bladder and organs of generation, both in male and female.

IRON TONIC acts on the Stomach and Liver, increasing the appetite, assisting digestion, and building up the debilitated and broken down, from whatever cause, thereby making it applicable to *Dyspepsia* in its

various forms, *Loss of Appetite, Headache, Wakefulness, General Debility, Female Diseases, Want of Vitality, Nervous Prostration, Convalescence from Fever*, etc.

Every mail brings us new testimonials from Ministers of the Gospel, practicing Physicians in high standing, eminent Lawyers and Judges on the Bench, prominent Politicians and Statesmen, officials of high character in the Railroad and Mercantile world, from men of high and low standing, in all the walks of life,—and especially from *Ladies* suffering from every character of *Female Weakness*, extolling the wonderful benefits derived by them from the use of

DR. HARTER'S IRON TONIC.

The Dr. Harter Medicine Co., St. Louis, Mo. GENTLEMEN—Some three months ago I began the use of Dr. HARTER'S IRON TONIC, upon the advice of many friends, who knew its virtues. I was suffering from general debility to such an extent that my labor was exceedingly burdensome to me. A vacation of a month did not give me much relief, but on the contrary, was followed by increased prostration and sinking chills. At this time I began the use of your Iron Tonic, from which I realized immediate and most wonderful results. The old energy returned, and I found my natural force was not permanently abated. I have used three bottles of the Tonic. Since using it I have done twice the labor I ever did in the same length of time during my illness, and with double the ease. With the tranquil nerve and vigor of body has come also a clearness of thought never before enjoyed. If the Tonic has not done the work I know not what. I give it the credit.

Most gratefully yours, J. P. WATSON, Pastor Christian Church, Troy, O.

Dr. Harter Medicine Co., St. Louis, Mo. GENTLEMEN—I used your IRON TONIC in a very tardy case of convalescence following a severe attack of Typhoid Fever, with excellent results. Since then I have prescribed it in several cases and always with good results. Very respectfully, Dr. R. K. MEDARIS.

Dr. Harter Medicine Co., St. Louis, Mo. GENTLEMEN—I desire to inform you of the benefit I have derived from the use of your IRON TONIC. Two years ago I caught cold, which resulted in *Female Weakness* of the worst kind. First, profuse flowing, and, later, *Nervous Chills* with blindness. Was attended by several of the best physicians at home and abroad, and tried all kinds of medicine recommended for *Female Weakness*, but all failed to give relief. My husband having read your almanac one night, concluded your IRON TONIC would cure me. So I consented to try it, and two bottles did the work, and I once more enjoy health. Please accept my thanks. Yours truly, Mrs. ELIZA ANN SMITH.

Let it be plainly understood that *DR. HARTER'S IRON TONIC* was the first of its kind on the market, having been registered in the Patent Office, at Washington, D. C., in case 7,631—the first use of it in a registered case. It is now the only *True Iron Tonic* made. We unhesitatingly assert that every iron preparation now advertised before the people has followed in the wake of the unparalleled reputation obtained by *DR. HARTER'S IRON TONIC* for perfect innocence from any deleterious effects, genuine and undisputed efficacy, and *absolute purity*.

THE picture which serves as the Eighteenth Card of our Series is
"The Gipsy Fortune-Teller,"

and we think there will be but one opinion as to the Artist's success in making it pleasingly, and yet effectively, tell its own story. We have no wish, however, to disguise the main purpose of its issuance, which is to inoffensively remind you that when a **COLD**, a **COUGH**, or a **SCORE THROAT** interferes with your bodily comfort, and creates some anxiety as to consequences, you can obtain certain relief through **DR. D. JAYNE'S EXPECTORANT**, which will loosen the mucus, render expectoration easy, and heal inflamed parts. During the season when **BRONCHIAL OR LUNG TROUBLES** are apt to prevail, much physical distress and strain may be saved, and in most cases all danger averted, by the intelligent use of the **EXPECTORANT**, which safely combines the best curative ingredients and the most efficient palliatives. **ASTHMA** is directly relieved by the **EXPECTORANT**, and the cause of the disease gradually overcome by its judicious use. **PLEURISY, INFLAMMATION OF THE LUNGS** and **LUNG FEVERS** are subdued when the **EXPECTORANT** is promptly resorted to, and used as directed, and so likewise is that most dangerous complaint—**CROUP**. It will save much suffering in cases of **WHOOPIING COUGH**, and greatly shorten the duration of this affection. Old Friends who have proved their constancy, and Old Remedies whose merits have enabled them to outlive all competition, are surely the safest in emergencies, and, in the long run, generally the best to tie to.

WHEN YOU ARE IN WANT Of a useful Family Tonic, give **DR. JAYNE'S TONIC VERMIFUGE** a trial. It will, in connection with **DR. JAYNE'S SANATIVE PILLS**, where constipation prevails, cure the **DYSPEPSIA OF ADULTS**, Indigestion, Sour Stomach, and Oppression at the Pit of the Stomach, and it removes all the attending symptoms, such as Low Spirits, Headache, Heartburn, &c. This **TONIC VERMIFUGE** is especially a **CHILD'S TONIC**, restoring the proper action of the stomach and overcoming **GENERAL DEBILITY**, and it is sure to destroy **WORMS** and effectually remove all the worrying and distressing indications which these pests originate. It is also a good remedy to eradicate the **FEVER** and **AGUE** of children.

"NEW SERIES OF BIRDS."
SET OF 30 DESIGNS.
A set of these cards (30 in all) accumulated in the ordinary course of buying housekeeping supplies, will form an interesting collection. Should all the cards be secured immediately, (six two-cent stamps) will show the cost and postage, and upon its receipt with your name and Post Office address, State and County must be plainly written, we shall be pleased to mail a complete set of the cards.
IMPORTANT REASONS
Why housekeepers should buy PACKAGE SODA or SALERATUS in preference to bulk Soda weighed and wrapped by the dealer. The retail price of the ARM AND HAMMER SODA in packages is the same as for inferior package Soda, and inferior Soda; they simply put more money into the merchants' pockets. PACKAGE SODA like CHURCH & CO.'S ARM AND HAMMER has the guarantee of a responsible manufacturer.
Bulk Soda may be of anybody's manufacture, and generally of a poor quality.

16. CALIFORNIA MOUNTAIN OUAILE.
(Callipepla californica).
Often called the Valley Quail. This bird inhabits the thick covering of chaparral and weeds that grow on the California hillsides. He is not considered quite so good a game bird as "Bobwhite." The birds do not rise from cover at the approach of the dog or hunter until thoroughly frightened. Then they are off like a blue streak.

Semper Fidelis

Verse by Carlton Fitchett — Illustration by Stuart Morris

WITH wistful eyes and lonesome heart, how patiently he waits to greet his master, home at last, outside the White House gates; to rub against his knees again and lick his hands in joy, and hear his master's loving voice: "I've missed you, Laddie Boy."

He longs to gaze into his eyes, and feel his fond caress; to help him lay aside his cares, forget his weariness. With head bowed down between his paws, he waits beside the door, alert to hear a kindly voice, now stilled for evermore.

He dreams, and barks with plaintive joy, of happy days gone by—the strolls they took together, with their spirits soaring high; inviting fields before them and a cloudless sky above; of days of sweet communion and of comradeship and love.

He lives again the morning that his master went away; he feels again the parting hug; he hears his master say: "I hate to leave you, Laddie Boy. The road is long we take." And how he bore up bravely for his pal and master's sake!

Oh, Laddie Boy, though faithful is the vigil that you keep, your master's steps you'll hear no more, to make your heart throbs leap. The road is long he travels—he has crossed the mystic span. We join with you in grieving, for your master was a man!
