Dear Sir

Thank you for your recent order, and the difference in the price of the Indian book. I forgot that I had advertised it as I sent the ad in 2 or 3 weeks early. I sent you a postage refund with the Indian book but I don't remember how much. The postage you sent on your recent order is well over what it will cost maybe when you receive it we can straighten it out, I don't wait for checks to clear I ship books almost the same day I receive orders. The only trouble I have ever had is with stores and dealers. I have mailed a lot of books to stores and never received payment that's why I advertise cash with order. The New York History sounds like a good one. a lot of these early histories were just small General Histories I will trade you 2 Commissioner of Indians affairs for it, if that is agreeable with you I am shipping 1873, 1874, 1877, 1882, 1884 and 1880. I had orders for some of these but your order was first. I have bought over 800 dollars worth of books in last 2 weeks I probably have several you would be interested in. I will see what I can list also will list remaining Indian affairs.
