Washington, 25, D.C.

Feb. 17, 1955

Enclosed are four clippings.

Three, constituting one set, Feb. 14, 15 and 16, are from the Portland, Ore., Oregonian and deal with the Klamaths.

The fourth clipping concerns the State of Washington Legislative hearing and the Yakimas and other Northwest Tribes (Washington).

I do not anticipate that a copy of the hearing, when and if printed will come into my hands through normal channels, but if it does, I will send it along.

It would be appreciated if no time be taken to acknowledge the receipt of these clippings, which I am sending with the belief that they might be of possible interest to those handling certain claims matters.

Sincerely

Cliff Relander
