OFFICE OF THE DEAN

Mr. Click Relander
Route 3, Box 149
Yakima, Washington

Dear Mr. Relander:

I have your very interesting letter, and I would like to write an extended reply. But this is impossible at the moment, I am sorry to say. I have just returned from an extended trip and must leave immediately for another month on the Atlantic Coast.

Since you have pursued your work so steadily, I am sure that you will not mind waiting until I return to have whatever answers to your questions I am able to provide. Please let me encourage you to continue with your work and assure you that when I am back in Seattle I will try to help you with respect to bibliography and the like.

Sincerely yours,

Verne F. Ray
