Mr. Click Relander
1212 N. 32nd Ave.
Yakima, Washington

Dear Click:

Just want to congratulate you on the magnificent series you sent on Yakima history - they are marvelous articles. Is there any possibility they could be published in booklet or book form ?

One thing I wanted to call to your attention was the reproduction of the Sohon pictures* which belong to the Society. The statute of limitations is out so our title is probably safe now, but I would hope the Society could be credited in future when they are reproduced. My guess is that these were taken from another book and perhaps no credit appeared there. I know you appreciate our point of view on this - this being one of the ways the Society prestige is either enhanced or ignored !

Be good to see you in August - board meeting & Odlin party will be the first Saturday - August 6th

Best wishes,

Bruce
