

July 3, 1922.

Honorable Wesley L. Jones,
Care U. S. Senate Office,
Washington, D. C.

Dear Senator:

We received your wire, also your letter of June 26th enclosing copy of letter from Commissioner Burke.

It is the desire of the Toppenish Commercial Club that I convey to you our appreciation of the interest you have taken in the matter of establishing the Indian Agency at Toppenish.

We are geographically located right; we have complied with all the requirements set forth from the Commissioner's office, and are ready to commence building at a day's notice. We trust the delay will be only temporary, as we have been advised.

Thanking you for the courtesies extended and for any future assistance you may be able to give us, we are,

Sincerely yours,
TOPPENISH COMMERCIAL CLUB,

WMH-S
