Keep watching the dial . . . and  
 you'll dial accurately. Remember  
 to pull the finger all of the way to  
 the stop . . . let the dial return at  
 its own speed. Speeding up or  
 slowing down the dial's return may  
 interfere with perfect operation  
 of the equipment for you.

### FOUR THOUGHTFUL ITEMS OF TELEPHONE PROCEDURE

1. Please answer promptly.
2. Please be on the line when the party you want answers.
3. Please speak distinctly and without hurrying, with the lips close to the mouthpiece.
4. Please replace the receiver gently when through talking.

For speed and accuracy on your dial calls, listen first for the dial tone. Dial each letter and digit carefully, drawing the dial all of the way to the finger stop. Lift your finger each time to let the dial return to position naturally.

All rates listed above are for an initial period of 3 minutes. For rates to other points, ask your Operator. Day rates are in effect from 4:30 A. M. to 6:00 P. M., except Sunday; night rates from 6:00 P. M. to 4:30 A. M.; night rates apply all day Sunday.

All Station-to-Station rates in excess of 10¢ and all Person-to-Person rates are for an initial period of 3 minutes. The rate for each additional minute is approximately one-third of the minimum rate. On Person-to-Person calls, after 6 minutes of conversation, the rate for additional minutes drops to that of a Station-to-Station call.

**FEDERAL TAXES**—A U.S. Government tax applies on all Long Distance Calls originating in the United States.
