Katherine Davis Patchal  
Cheney, Washington

Dear Katherine:

I am very much disappointed in your not having answered my letter and I have indicated to you before that I do not expect you to pay your loan in full, but I do expect you to cut it down some and at least make some of your promises good. I expect to have a meeting of the Student loan committee with the directors of the Rotary Club, within a very short time and I must have some word from you.

I know this is the Holiday Season and I have no desire to mar the occasion with any letter that would disturb you, but you should at least make one New Year's Resolution and that is to answer letters, and show that you do appreciate the help the Rotary Club tried to give you.

As I indicated to you before, I had a personal interest in your loan and do not want to have my confidence misplaced. Will you please let me hear from you.

Yours very truly,

L.O. JANECK
