Information Section

Dear Sir:

Enclosed are returned photographs, FUS 4213 and FWS 3720.

I wish to thank the Department for the loan of them (a copy has been made of one potentially for newspaper or magazine use.)

I note that both were "crumpled," upon arrival. Whether this was the condition when sent or not, I do not know. I am returning them in the original container.

Again, my appreciation to you and your Department.

Sincerely
