

Friends of Library ^{Jan 19 45} Hold Noon Meeting

At a well attended meeting of the Friends of the Library committee this noon in the Studio tea room, Mrs. W. W. DeVeaux appointed on a nominating committee, Mrs. H. G. Peck, Mrs. Walter M. Bell and Mrs. L. E. Perry.

B. A. Perham, jr., reporting for the fund raising committee, said several large contributions have already been pledged and there are promises of more. Mrs. Peter MacKintosh reported on the successful vote on the county library proposition. Thomas Potwin in a talk on the future of the library, proposed construction of an entirely new building in the same block with the present library and the site for the new city hall. He suggested that the block be made a civic center to include a civic auditorium as well as a library and city hall.
