

[Enclosure, March 10, 1891]

(Copy telegram)

Vancouver Barracks, W.T.
March 2, '81.

To Secretary of Interior,
Washington, D.C.

General Howard, when in Washington, December 8th. telegraphed, that the sheep eater Indian prisoners, now here, would be sent to Warm Springs reservation in early spring. Have official instructions to that effect issued. The prisoners are restless and speedy final disposition of them should be had.

Wheaton,
Commanding.
