Mr. Irving Petite,
Rt. 2, Box 5284,
Issaquah, Wash.

Dear Irving:

Thanks for your continuing interest in Drummers and Dreamers.

Having help, and a friend like that behind the scenes putting in good punches here and there is mighty comforting when one is walking on untread fields, and facing an uncertain future as to the reaction of a book that is in such a delicate vein because of all the complicating Indian situations. I guess you can understand that now as result of some of your stories.

I am glad to inform you that I have received the following letter: "We'll gladly see that an order is entered to send a review copy of Drummers and Dreamers to Mr. Petite."

By entering an order, they mean merely they are ordering it through that department.

Thanks again. As the time grows nearer and you bump into any references in the Seattle papers concerning D and D, I'd appreciate your saving them for me.

Sincerely
