

GENERAL SERIES IN ANTHROPOLOGY

LESLIE SPIER, EDITOR

PO Box 880

Dear Mr. Relander:

Thanks for the interest in this SERIES
expressed in your recent letter.

I am enclosing a list of the volumes in
the SERIES published to date, as you requested. All of
these are still available.

Your order should be addressed directly
to me (not to the Banta Company, which merely forwards
orders), and it would save me a bit of bookkeeping if
you would be good enough to sent a remittance with your
order. I pay the postage on any shipment.

Sincerely,

Leslie Spier
