Dear Mr. Relander:

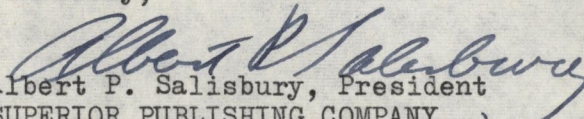

I am writing you and sending you the news release on our forthcoming "This Is Washington" because I guess unless Mr. Guie is still there, you are the only one I personally know on the Republic.

I would consider it a personal favor if you would see to it that this material gets special attention from whoever it should.

Of course a regular review copy will be sent when the books are ready, but we are making a special effort to get businessmen over the state to reserve copies in advance, to be used as executive gifts to important out-of-state friends in order to get them to come to Washington for Century 21.

What new work are you doing on the Wanapums?

Sincerely,

  
Albert P. Salisbury, President
