

White Swan Wash

October 12, 1953

Dear Mr. Belander -

Everyone I have
asked about, other people
volunteering, have all
agreed your talk
made the most
interesting meeting the
women's club had
had for a year. Some
commented the first
five minutes they were
afraid it would be
b dull & then they forgot
the time and wished

The Talk had been long.
They all hope you will
come back again and
we have basked in the
reflected glory of
having produced you.

Mr. Hitchcock & I
send our regards and
hope we shall see
you again and thank you
very much for your
evening and for
white Swan -

Sincerely
Father Hitchcock

Dear Mr. Plender -

We were so pleased
over the advance notice
of your book and we
shall have some first
editions - My parents
Mr. & Mrs E. J. & Mary of
Yakima are very
interested because my
father had had the White Bluff
Spokesman and Mrs. Fred Harris
who is doing a book
about White Bluffs -
Best wishes

Kathleen & Maurice Hitchcock
