Honorable A. B. Fall,
Secretary of the Interior,
Washington, D. C .

Dear Sir:

Since the protest filed, by the Indians, with you they have endeavored to place, through the local papers, some criticism as to the conditions of our city. This controversy has been entirely one sided. We felt as if the case had been placed in your hands, and I take pleasure in handing you a clipping from today's Yakima Herald, as a result of the conference held with the business men of Yakima last evening.

Should the investigation result satisfactorily we will be glad to proceed with our building program.

Thanking you for the many favors you have extended us we are,

Very truly yours,
