Dear Click,

I simply cannot refrain from telling you how pleased I am about the wonderful publicity you have been giving the Centennial and are still. This morning's spread is highly informative about a little-known feature offered as a part of Fort Simcoe's attractiveness. I have clipped it and mailed it to The Dalles Chamber of Commerce.

I am leaving now for the Fort and while there will arrange with the powers that be, if at all possible, for your press car to have free use of the grounds as you require. I'll phone you the moment I return.

Thanks Click, for the SWELL job, from all of us.

Sincerely

SIMCOE BLOCKHOUSE
