Mr. L. O. Janeck,
Yakima, Washington.

Dear Mr. Janeck:-

Re: Kenneth Nelson-Viola R. Nelson Note.

In accordance with your letter of the 24th ult., I am enclosing herewith Viola R. Nelson's check for the amount of \$13.50, being \$10.00 on principal of old note and \$3.50 interest to date of new note. Am also enclosing new note for the amount of \$90.00, dated November 1, 1935, and signed by Viola R. Nelson and Paul Nelson. Kindly let me have the old note in your possession for surrender to Mrs. Nelson.

In preparing the new note and at Mrs. Nelson's request, I have taken the liberty of dating the new note November 1st and paying the interest to that date on the old note. This arrangement was made because Mrs. Nelson states that September 1st is too early for payment from farm production.

Trusting that this arrangement is satisfactory and meets your approval, and thanking you for your co-operation, I am

Yours very truly,

O. L. Boose
