Sir

I send in Charge of
Joe Sidwalder Serjt of Police and Bill
Wenarowit policeman 28 Putes. of this number
two belong here, but have decided to remove to
Yakama Reservation. Their names are Pe-gie
and "Hatch" The balance are fugitives from
your jurisdiction. Of the first 24 that came
several stole off last winter and I afterwards
learned went to Camp Bidwell & Wunnemucca.
Please return me an acknowledgement for the
26 I return to you. You will find them very
destitute. Telegraphic instructions from Washington only
allowed me to issue 3 day rations, when they ought to
have had at least 6.

Very Respectfully
John Smith
