Mr. ~~Click~~ Relander, City Editor
The Yakima Republic
Yakima, Wash.

Dear Mr. Relander:

In Yesterday's Seattle Sunday Times, there was an article about the published Yakima historical booklet prepared by yourself and Geo. M. Martin, in honor of your City's diamond-jubilee year.

I would like to acquire one very much, and wonder if you could have one mailed to me--in turn you will be promptly reimbursed.

For your information, I called the Franklin Press here in Seattle, but they knew nothing about it--infact the gentleman I talked with said my call was one of several they had received today.

Sincerely,

Mrs. N. Ytterdal

P. S. If this booklet has a Seattle outlet, please advise me the address.
