Dear Mr. Belander;

I really enjoyed your book and wish it was published in a hard cover. I learned more from this book regarding the life and history of the Indians than from any other book. I am enclosing a check for 10 copies and I believe these will be sold in less than a week. How many copies do you have available? Actually our museum will not open until June 1, but we open for special groups such as Scouts and school children. The profits from the sale of publications goes into a fund for the purchase of books for our library and to operate our museums.

When I was a youth, hundreds of Indians visited The Dalles, and many times it seemed as if there was more of them than whites. One, Pete Jackson, was an alcoholic and he had almost a private cell in the local jail. Very few were trouble makers

and did anything to be brought to court. It would be a wonderful thing if all Indians had as much pride in their race as the Scots have in theirs.

Our Museum Commission has requested funds to make a study and plans for a Museum of Natural History. Mainly we want to depict the various cultural levels of the Indians along the Columbia. Also the geology of the area.

I have been asked to request information regarding your book *Drummers and Dreamers*, is it available?

Please thank the Tribe for me. I will treasure their gift.

Sincerely
Jerro E. Hohob

P.S. I would enjoy meeting you sometime and would like to know more about the possibility of you speaking to a group.

Dear Chick:

I have a picture of Colonel Wright but will have to check on the other pictures. There is a large oil painting of Major Haller. I know of no picture of the whole fort but there are pictures of individual buildings. What is your dead line? I am going to Portland Monday and will check with the Ore. Historical Society in addition of looking around here.

Sincerely
Lewis E. McNeal

Dear Chick;

I am sending today under separate cover most of the pictures you requested. Now, if you want to keep those of the Ft Dalles, building they will cost \$1.25 each. ~~The one of Col Wright will cost~~ Please note the remarks on the back pertaining to giving the Ore. Hist. Society credit.

It will cost \$7.50 to have a commercial photographer take a photo of Major Haller. I thought I could do it with my small camera but it won't work.

Let me know what I should do. Sorry to have waited so long.

Sincerely,
Jesse E. Nichols
