Rev. Earle Howell:

2436 38th Avenue West,  
Seattle Wash.

Dear Rev. Howell:

Thank you for your letter received at the office yesterday. Am glad to hear progress is being made on the historical writing project. Sorry I missed seeing you on your Valley visit.

As you can see, we have a new address, my first move in years made last January. Naturally it was a major undertaking and I'm not straightened around yet as I wish, as there has been landscaping (gardening) etc. but a lot of the inside work such as file arranging etc. can come later.

I will be glad, as time permits, to scan your chapter, Men of Forest and Plains. Don't know what I can do but there is always the advantage of several eyes in such a major work as you are embarked upon.

The new superintendent at the Yakima Indian Agency is Charles S. Spencer. There should also be available when you contact the agency the current enrollment of Yakima Indians. This is changing gradually. It is in excess of 5,000 now. After a few years I would anticipate it would begin a decline, but perhaps not.

Hope this letter finds you, Mrs. Howell and Chapin in good health and the best of spirits.

Sincerely
