Dear Click:

Please accept the contents of the package I am posting under separate cover as a small token of my sincere appreciation for the excellent publicity you have given my exhibition. In the first two days I have had nearly a thousand people attend, and the reaction continues to be most favorable--beyond my expectations. I have four definite sales on the books, and three definite prospects which I hope to complete very soon.

Without the splendid build-up, I am sure this would not have been possible.

We are looking forward to having you and your wife to dinner.

Very sincerely yours,

John D. Reppeteaux
