The foregoing is the list of candidates presented by the republican party for the support of the electors of Yakima county at the polls to be held on the 4th day of next November, the nominations having been made at the convention held at the armory last Saturday. The convention was marked by several spirited contests, but after a decision as to the availability of a candidate was reached the delegates made the selections unanimous and the spirit of unity prevailed.

The convention was called to order at 10 o'clock by Chairman S. J. Cameron of the county central committee and adjournment was taken until such a time as the train from down the valley should arrive with delegates from that section of the county. At 11 o'clock the chairman again called the delegates to order. In his opening address Mr. Cameron called attention to the excellent record made by the republican party in the state and national administrations. He spoke especially of the new irrigation bill and the canal bill, both of them republican measures which are destined to exert a great influence for good to the state. He spoke of the desirability of continuing the republicans in control of affairs in order that projected legislation for this county might be assured. One of the matters which was to come up at the coming session of the legislature was an appropriation for the state fair, one of Yakima's undertakings. He suggested that the candidates to the legislature be chosen with a reference to the interests of the county itself and without regard to any one's candidacy for the United States senate.

H. B. Scudder of the Moxee was chosen temporary chairman and George S. Hough of this city temporary secretary. The following committees were then selected to prepare for the work of the afternoon session: On credentials—J. E. Shannon of Nob Hill, Dr. G. J. Hill of the second ward of North Yakima, Joseph Peritt of Republic, Lafayette Pace of Sunnyside and Dean Stair of Toppenish; on platform—Capt. Robert Dunn of Parker, W. L. Wright of Fruitvale, A. N. Short of the third ward of North Yakima, C. L. Barnett of Yakima City and Abner Sinclair of the Naches; on permanent organization and order of business—D. E. Lesh of Fruitvale, W. P. Sawyer of Parker, W. L. Stabler of Ahtanum, A. J. Lewis of Cowiche and Dr. Philip Frank of the first ward of North Yakima.

When the convention reassembled at 1:30 o'clock the committee on credentials reported that there were 124 delegates in the convention out of a possible 127. Mt. Adams sending no delegates and White Bluffs only one. The roll of delegates was as follows:
Alder Creek—W. L. Wommack, J. S. Donahoe and Lester Spencer.
Ahtanum—W. L. Stabler, D. B. Greenwalt and R. F. Taylor.
Bed Rock—Hans Smith, Remus E. Carter, proxy, and Remus E. Carter.

Mt. Adams—None present.

Naches—Harry Painter, Abner Sinclair, George Chapman, George Denton, Emri N. Friend and Jacob Jacobson.
Nile—Richard Ball and William Munson.
Nob Hill—J. E. Shannon, John Kelly, M. N. Richards, Charles Dillon, L. D. Humphrey, Reuben Schwartz and Spencer Jacobs.
North Yakima—First ward, John D. Cornett, H. J. Rand, W. I. Lince, J. A. Taggard, J. M. Murchie, R. J. Curry, John Mull, Philip Frank, William C. Imbrie, A. Beilstein and H. B. Rigg; Second ward, W. H. Patterson, G. J. Hill, Edward Whitson, W. H. Vessey, A. B. Cline, A. D. Sloan, H. B. Doust, C. M. Hauser and E. J. Wyman; Third ward, G. A. Graham, W. F. Powell, G. S. Courter, A. N. Short, Z. Y. Coleman, W. V. Holden, W. M. Watt and S. J. Neeland.
Parker—D. A. McDonald, J. E. Beeks, W. P. Sawyer and Robert Dunn.
Prosser—C. A. Jensen, J. E. Williamson, Maurice Evans, J. H. Moore and Joe Ponti.
Rattlesnake—W. B. Viles and Luke Deming, H. Olmstead, proxy.
Selah—Walter Clift, Victor Cavellin, S. G. Cherry and S. W. Vestal.

First ballot—Dunn, 80; Hare, 53; Dudley, 44; Reed, 40; Gloyd, 31. The result showed that Capt. Dunn had received enough votes to nominate and he was declared one of the nominees.
Second ballot—Hare, 54; Dudley, 31; Gloyd, 20; Reed, 19; no choice.
Third ballot—Hare, 60; Dudley, 40; Gloyd, 19; Reed, 5; no choice.
Fourth ballot—Hare, 66; Dudley, 57; Gloyd, 1; Hare nominated.
Amid cheers Dr. Hare and Capt. Dunn were declared to be the unanimous choice of the convention for representatives.

BARTON, the Hardware Man.

Stone Building, South First Street.

Sunnyside—Joseph Lannin, C. R. Webber, A. D. Cafferty, A. Green, J. F. Kunz and L. Pace.
Tawco—Warren Eglin, William Knox and Willis Mercer.

Toppenish—W. J. Shearer, E. G. Fleming, William Stevens, J. E. O'Brien and Dean Stair, F. A. Williams, proxy.
Wenas—John Cleman, Richard Sisk, F. J. Kandle and R. H. Kershaw.
White Bluffs—J. L. Rich.
Yakima City—J. H. Thomas, C. L. Barnett, D. C. Cains and E. H. Taylor.
Zillah—G. W. Mason, D. C. Macey, W. F. Meloy, Wm. Ross, C. H. Sawyer and Col. A. C. Walker.

The committee on permanent organization submitted a report recommending that the temporary officers be made the permanent ones and adding E. G. Fleming to the list of officers as assistant secretary, and fixing the order of business to be followed.

The committee on platform submitted the following, which was adopted by acclamation amid cheers of the delegates:

We, the republicans of Yakima county, in convention assembled, declare our allegiance to the principles enunciated in the Republican National Platform of 1900.

We have every reason to point with pride to the glorious record of our party in its administration of the affairs of the government for almost half a century and that record and upon the record of the last six years since the country was in charge of the democratic party.

We deplore the untimely death of our beloved president, William McKinley, but congratulate the country that his place has been taken by that energetic, honest, fearless and patriotic statesman, Theodore Roosevelt. We heartily endorse his wise, conservative and patriotic administration and look confidently for his nomination by the republican party in 1904.

We most heartily commend the work in congress of Senator A. G. Foster and Congressman W. L. Jones and F. W. Cushman.

The delegates selected by this convention to attend the state convention at Tacoma are hereby instructed to vote as a unit for the renomination of Congressmen Jones and Cushman and to use all honorable means to secure their renomination.

We heartily endorse the administration of Governor Henry McBride, and the other state officials.

We congratulate our country upon the honest, efficient and economical administration of county officers by the present officials and pledge the present nominees of this convention to an equally honest, efficient and economical administration.

We declare ourselves in favor of the establishment of a railroad commission in this state, and in this connection we urge our representatives in congress to use their influence to secure the passage of the bill to create such a commission.

Nominations for senator being declared in order, Edward Whitson got the floor and in a forcible address placed the name of Ira P. Englehart before the house. "The candidate I shall name," said he, "is a republican from the bottom up, and he has always been a republican. He has had legislative experience, and if he is sent to represent Yakima in the legislature he will know what is going on. He is wide awake and knows what the country wants. He is a lawyer of ability, as any one knows who has been matched against him in the courts. If elected, he will be a senator of the people and a senator among senators. He will be a credit to the county and a man faithful to the trust reposed in him. I place before you the name of Ira P. Englehart."

In nominating Walter J. Reed, A. J. Lewis said that in presenting his candidate he could say nothing against Mr. Englehart, and referred to Mr. Reed as a man who had shouldered the gun and knapsack and made it possible for such a gathering as this convention to be held. J. E. Shannon nominated W. B. Dudley as a business man of unimpeachable ability and integrity. In seconding Mr. Dudley's nomination John Cleman withdrew Mr. Reed's name and the nominations were closed. The result of the first ballot was: Englehart, 65; Dudley, 58; Reed, 1. Mr. Shannon obtained the floor and moved that the nomination of Mr. Englehart be made unanimous, and from all over the hall came seconds to the motion. Amid cheers Mr. Englehart was declared to be the unanimous choice of the convention.

The nomination of two representatives was next in order and Chairman Scudder explained to the delegates that the voting would be for two candidates, no choice unless a candidate receive 63 votes. C. W. Nash nominated W. B. Dudley. D. E. Lesh nominated Dr. W. H. Hare, stating that his candidate "was widely known throughout the county and was a republican never known to hesitate or balk." I. E. Moore named F. H. Gloyd of Prosser. Joseph Lannin nominated S. J. Harrison of Sunnyside. Capt. J. H. Thomas proposed Walter J. Reed. A. J. Lewis named Capt. Robert Dunn. Mr. Harrison's name was withdrawn and W. P. Sawyer seconded the nomination of Capt. Dunn in an address in which he pointed to Capt. Dunn's staunch republicanism, his residence of 26 years in this county and his wide knowledge of affairs. The result of the voting was as follows:

First ballot—Dunn, 80; Hare, 53; Dudley, 44; Reed, 40; Gloyd, 31. The result showed that Capt. Dunn had received enough votes to nominate and he was declared one of the nominees.
Second ballot—Hare, 54; Dudley, 31; Gloyd, 20; Reed, 19; no choice.
Third ballot—Hare, 60; Dudley, 40; Gloyd, 19; Reed, 5; no choice.
Fourth ballot—Hare, 66; Dudley, 57; Gloyd, 1; Hare nominated.

Amid cheers Dr. Hare and Capt. Dunn were declared to be the unanimous choice of the convention for representatives.

In the Idaho Hold-Up.

Dr. C. E. White was on the Northern Pacific overland train when it was held up by seven masked men on Monday night at Sand Point, just west of Hope, Idaho. Dr. White and family had been spending a month at his old home in Wisconsin, with side visits to Chicago, and other points, and was on his way home 10:45 in the evening and that the Pullmans and day coaches were not molested by the robbers. They flagged the train and made for the baggage car instead of the express car. A few shots were fired and kicks came on the doors of the coaches, but no damage was done. Then the leader of the gang announced that they had made a mistake and had better light out. The occupants of the Pullmans kept in their berths and breathed freely when the train got under way again.

Beach & Bowers' Minstrels.

The coming of Beach & Bowers' minstrels under canvas, on September 1 is heralded with pleasure. It's now the oldest minstrel company on the road under the one continuous management and we are very fortunate in getting a performance from them. It will furnish more fun and entertainment than any show of its kind. This season it is all new, original and funny. The singing is as perfect as is heard in the very best of opera companies. The specialties can not be beaten and are decidedly laughable and intensely interesting, as Beach & Bowers have called to their assistance an array of talent that places their company in the van of minstrelsy. The minstrel boys are young, active and up to date and seem untiring in their efforts to please, and they arouse the spectators to the highest pitch of enthusiasm.

New Suburban Telephone Line.

The Pacific States Telephone & Telegraph Company is putting another suburban line into the Moxee country and the new line will extend 12½ miles from North Yakima and terminate at the Alward ranch. The new line will give service to the artesian well district and further beyond. There will be 14 subscribers at the commencement of the service. Work has already been commenced in establishing the line and service will be installed in two weeks.

Miss Jackson, the chief operator of the Tacoma telephone exchange, was in North Yakima for a few days this week for the purpose of instructing the present assistants in the central office in the latest methods of switching. This with other improvements which are now in process of installation will without doubt give the public excellent telephone service.

Arranging the Grades.

Superintendent Jolley and the members of the school board are working on the plan of arranging the grades so that there will be less crossing of the railroad tracks by pupils. Heretofore there have been seven grades in the Central school, six in the Columbia and four in the high school building. An effort is being made to have eight in the Central and high school buildings and seven in the Columbia.

Democrats Will Meet.

Chairman Redfield of the Democratic central county committee called together the members of the executive committee last Saturday, and they decided to hold their primaries on September 6th and the county convention on the 13th at the court house.

Young Man Gone Wrong.

A young man well known here, who has been occupying a responsible position was this week discovered to be a defaulter to the amount of about \$500. The bonding company which is his surety was notified of the situation, after his employees had given him several days in which he sought in vain to make good his shortage, and his arrest will probably follow tomorrow or Monday. The REPUBLIC is in possession of all the facts, but withholds publication in the hope that the shortage may be covered. The cause of the young man's downfall is fast living.

Precinct Nominations.

The republican delegates from the local precincts have nominated J. A. Taggard and R. K. Nichols for justices of the peace and August Hammel constable.

A Cure for Cholera Infantum.

"Last May," says Mrs. Curtis Baker, of Zillah, Ohio, "an infant child of our neighbor's was suffering from cholera infantum. The doctors had given up all hopes of recovery. I took a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy to the house, telling them I felt sure it would do good if used according to directions. In two days' time the child had fully recovered and is now (nearly a year since) a vigorous, healthy girl. I have recommended this remedy frequently and have never known it to fail in any single instance." For sale by all druggists.

TO KIDNEY SUFFERERS.

An Opportunity Worthy of Your Notice.

If you suffer with kidney disease or any ailment arising from an improper action of the kidneys or urinary organs, this offer we make to the people of Yakima should interest you. In the advancement of medical science, the kidneys, the organs of the greatest importance to human health, have not been neglected, and in placing before you such a cure as Doan's Kidney Pills the proprietors recognize how far so many statements of the makers of similar preparations have fallen short of their claims, being convinced that no remedy for kidney complaints in existence equals Doan's Kidney Pills for such ailments; strengthened in these convictions by letters that are daily received of the work they are doing for mankind's benefit, old backs and young backs are being freed from never-ceasing aches, and many a lame and shattered one, stooped and contracted, is strengthened, invigorated and infused with new life. With such a medicine an offer of this kind can be made without hesitancy, for while we lose the box we give to you, we make a friend that assists us in the sale of many others.

FULL BOXES

of Doan's Kidney Pills will be given away free to every person suffering with kidney ailments at the undersigned address. First come, first served, and only this one chance offered. Remember this is not a sample box, but a regular size box of Doan's Kidney Pills, which retails at 50 cents.

EXHIBITS IN THE DAIRY LINE

They Will form a Feature of the State Fair This Fall.

A feature of the state fair this year will be a good display of the dairy products of the Yakima and other districts of the state. Liberal premiums have been offered in this department to induce the dairymen to make an exhibit, and from all indications it looks as if the competition between the exhibitors will be greater than ever before.

Yakima is now one of the most important and at the same time rapidly growing dairy districts of the state and the people of the valley will no doubt take pride in seeing this industry well represented at the fair.

The premiums offered in this line call for the best that is turned out. Premium No. 389 calls for butter in 50 pound tubs; first prize, \$15; second, \$10. No. 390, case of butter in bricks; first prize, \$15; second, \$10. In these numbers the exhibit must have plain wrappers, and no printed matter or distinguishing marks will be allowed to be used. Premium No. 391 calls for exhibit of creamery butter, quantity, quality and style considered; first prize, \$20; second, \$10. People are expected to make the best display possible under this number and will be allowed to have any printed matter or device to make the display attractive. Premium No. 397 1/2 calls for best exhibit of product from any one factory, the first prize being \$10 and the second \$5. This should include all the various products of the establishment, with no restrictions as to kind of wrappers to be used.

The Yakima manufacturers of creamery materials should avail themselves of the opportunity to exhibit their products and bring their goods prominently before the consumer, in this manner the general public will know just what is turned out from an institution of this kind. Liberal responses are already being made to the good offers and the commission feels gratified to know that its efforts are being appreciated.

Among the counties to exhibit this year are Clarke, Walla Walla, Chelan, Columbia and Yakima. W. T. Jackson of Vancouver, Clarke county, writes that he will be here with a car load of the products of his district, and will have again on exhibition instead of the famous seal of the state made in relief work out of grass and on an extensive scale something more attractive, which together with the other products from that county will be interesting. The Wenatchee board of trade and Horticultural society are now working on a fine exhibit of fruit and horticultural products of Chelan county and in connection with this will bring a number of visitors with them. Walla Walla county will no doubt have the largest display of products of the farm. She is making extensive preparations for this and will send a lot of people here, too, to swell the crowd.

The events on the grounds outside the pavilion and race course will be better than were introduced last year, and nothing that is immoral or savor of the "skin game" variety will be permitted on the grounds. There will be balloon ascensions every day. A good clean vaudeville will give an exhibition in a tent and the largest woman in America, Miss Ella K. Ewing, has contracted to be present. She is eight feet, four inches tall and a curiosity. There will be a number of other things to give pleasure to the visitors, and no one will regret having attended.

All the departments will be better filled over than before. There will be an unusually large display of Yakima fruit products and the very best of course will be put up to appeal to the critical eye. The woman's department will be worth coming to see, as it will have a fine exhibit. Among the new things this year will be a mineral display made up of the products of the Gold Hill and Cle Elum districts. This exhibit is now being prepared by John Reed of Cle Elum and Oscar James of the same district.

COMPANY IS INCORPORATED

Yakima Valley Central Railroad formerly Organized with Trustees.

Articles of incorporation of the Yakima Valley Central Railroad were filed with the county auditor early in the week. The papers call for a capitalization of \$2,500,000 in shares of \$100 each. Named as trustees until an election by the stockholders is held next December are Joseph F. McNaught, A. J. Splawn, O. A. Fechter, Alexander Miller and George S. Rankin.

The objects of the incorporation include almost everything in the way of business possible in the development of the valley. The specific statements chiefly concern the building, constructing, equipping, maintaining and operating of the railways from North Yakima to Sunnyside, up the Ahtanum valley as far as the Yakima Valley springs and the upper Naches valley to Fechter & Janek's ranch. The papers also provide for a branch road up the Cowiche valley "at such time as the arid lands in said valley are under irrigation."

Provision is also made for the running of a street railway system in the city of North Yakima and for the development and sale of water and electric power.

Old Man Breaks a Leg.
An octogenarian, known as "Doc" Flynn, who lives on the Wenas, met with a serious accident on Wallace Wiley's ranch on the Ahtanum last Thursday evening. Mr. Flynn was visiting Mr. Wiley's tenant and prepared to retire for the night. The old man opened an outer door instead of the door leading to the stairway, and stepped out on to the ground, a fall of several feet. The fall broke a leg and the old man was brought to St Elizabeth's hospital for treatment, suffering from the pain and shock.

Suit About Lard Pails
Isaac L. Hoffman and Elias Hoffman, who do business under the firm name of the Pacific Butchers' Supply Company, are suing H. J. Rand to recover the value of a lot of lard pails which went down in the wreck of the steamer Walla Walla. The plaintiffs claim that the pails were the property of the defendant at the time they were lost and demand settlement of their bill. The defendant claims that the pails were to be delivered to him and that they were the property of the plaintiffs and that the loss falls upon the consignors.

Grand Army of Republic, Washington, D. C.
For the above excursion tickets will be on sale Sept. 29th and 30th, at \$77.55 for the round trip. Good 60 days from date of sale, good for stopover on return trip west of St. Paul.

National Irrigation Congress, Colorado Springs, Col.—For above excursion tickets will be on sale Oct. 2nd and 3rd at \$55 for round trip. Good 30 days from date of sale, good for stopover on return trip. M. S. MEEKS, ang17-2 Agent.

THE REPUBLICAN COUNTY CONVENTION

THE republican convention last Saturday named good and capable men for the county offices. While the convention leaves a few sore spots, it was not to be expected that every candidate for a nomination could be successful, nor that everybody's ideas and plans would be put into effect by a meeting of 124 delegates, each a man with a mind of his own. Upon reflection, we think that even those who were disappointed, and are therefore dissatisfied, will be convinced that the nominees are worthy men who can be depended upon to carry out the conservative and economical administration of county affairs that has prevailed for the last four years, and for which the taxpayers give the present incumbents and their party the credit due. That, after all, is the main thing. It makes little difference who the men are, or where they came from, if they are honest and competent to do the work before them.

If any fault can be found with the work of the convention it is that not all parts of the county are represented on the ticket. This the convention is in no way to blame for, however, unless in its refusal to put the Prosser candidate on the legislative ticket. The convention had to choose from among the candidates whose names were presented to it and the number of aspirants from the country precincts was very small. So far as Mr. Gloyd was concerned, the convention would doubtless have been glad to name him for the legislature if the avowed purpose of his candidacy had not been to secure the division of the county if he were elected. The convention was of the opinion, and it was quite right, that a man pledged to divide the county could not be successful at the election.

The legislative nominees of the convention are men of ability, and they can be depended upon to give the county good service at the state capital. They are strong men, known as such here and throughout the state, and the people may safely assume that whatever Yakima county wants in the next session they will be able and willing to secure for it. Moreover they will go into the senatorial fight unpledged, and that is a consideration not to be overlooked in the campaign or afterwards.

THE REPUBLIC will take pleasure in supporting the ticket nominated, confident that it will be elected, and equally confident that when elected the gentlemen who compose it will prove themselves worthy of the honor the party has bestowed on them.

THE Seattle Times last week published an article in which the assertion was made that the water supply of this city is very impure because it contains dead and putrefying animal matter, and that the citizens are greatly worked up and fear an epidemic of disease. The city council took notice of this article, as it contained false and highly injurious statements. By resolution it denied the statements published, and declared that no city in the state has or can have a better or purer water supply. The resolution was forwarded to the Times, with a courteous request that it be given the same publicity as the false and injurious article previously published. The Times replied refusing to publish the resolution of the council and asserting that it would stand upon the statements made by its correspondent, Joel Shomaker. It will be interesting to the citizens of this town to know that there is a place where the word of Joel Shomaker is better than that of the members of the Yakima city council, and such an exhibition of unkindness and gross unfairness by a newspaper largely patronized here ought to, and probably will, greatly increase the paper's subscription list. Sometime ago another paper published at Seattle lost the greater part of its list at Ellensburg because it inadvertently stated that Ellensburg is in the Yakima valley, which statement was neither untrue nor libellous. But the people of Yakima don't do things that way. They are long suffering.

FRANK P. GRAVES has resigned the presidency of the state university. Mr. Graves was at the head of the institution about four years, and they were years of the greatest progress it has made since it was founded. His friends all over the state regret that he has decided to leave. It is stated that the cause of his resignation was his inability to work harmoniously with the board of regents.

THE Spokesman-Review refers to Wilson's defeat in the republican convention in this county. It says that a Wilson man was nominated for senator and two Ankeny men for representatives. The three legislative nominees of this county wear no senatorial aspirant's collar. They are absolutely unpledged.

nomination of a candidate for county attorney. Edward Whitson named William P. Guthrie, the present incumbent, dwelling on his excellent record and his qualifications for the place as shown by the results of his term in office. Col. A. C. Walker seconded the nomination. Capt. Thomas said that he had expected to nominate William L. Thompson for the office but that Mr. Thompson had decided not to allow his name to go before the convention in opposition to Mr. Guthrie's nomination. Mr. Guthrie's name was the only one presented and he was nominated by acclamation.

Twenty-three names were placed before the convention as delegates to the state convention. Sixteen were chosen. One after another was withdrawn until 16 names were left and these were unanimously chosen as follows: W. W. Robertson, W. I. Lince, A. J. Lewis, D. E. Lesh, R. K. Nichols, W. L. Womack, S. J. Cameron, C. W. Chamberlain, Wallace Wiley, John Cleman, S. J. Harris, E. J. Whitson, W. W. Wright, G. J. Hill, C. S. Bulger and H. G. Guild. By vote of the convention each delegate to the state gathering was empowered to select his own alternate.

But two names were presented for the nomination for auditor, W. B. Newcomb, the present deputy, and F. C. Hall. The first ballot resulted in a tie, each receiving 62 votes, 63 being required to nominate. The second ballot gave Mr. Newcomb 68 votes, and his choice was declared to be unanimous.

The contest for the shrievalty nomination was next in order and as the delegates knew that there were a number of candidates they settled down to a realization that there would be a number of ballots cast before a choice was effected. A disposition was shown on the first two ballots to scatter the votes, several precincts casting an equal number of votes for each candidate. The names of those before the convention were George Ker of Moxee, C. E. Lum, A. L. Dilley, James J. Wiley of Ahtanum, J. A. Leach and John W. Sindall. The voting was as follows:

First ballot—Dilley, 31; Wiley, 31; Lum, 23; Ker, 18; Sindall, 12; Leach, 8; Phillips (not formally placed in nomination) 1; no choice.

Second ballot—Dilley, 51; Wiley, 31; Ker, 17; Lum, 14; Sindall, 1; no choice.

Fourth ballot—Dilley, 63; Wiley, 52; Lum, 7; Ker, 2; Dilley nominated.

The nomination was then made unanimous. For treasurer three names were before the convention. Mr. Lesh placed the name of J. J. Wiley before the house, saying that his strength and popularity had been attested in the contest for the sheriff nomination. Robert Scott was named by A. J. Lewis as a man who had been in office and had been found competent. E. G. Peck was named as the present efficient deputy and a man thoroughly acquainted with the affairs of the fiscal office of the county. Mr. Peck was nominated on the first ballot, the vote being: Peck, 63; Wiley, 42; Scott, 19. Mr. Peck was declared the unanimous choice.

D. A. Fox of Zillah, J. W. Day, the present deputy, and G. A. Graham were named for clerk. Two ballots were taken with the following result:

First ballot—Day, 61; Fox, 42; Graham, 21.

Second ballot—Day, 83; Fox, 38; Graham, 3.

Mr. Day was then nominated unanimously.

The name of Prof. S. A. Dickey of Parker, the present county superintendent of schools, was the only one presented to the convention for that office, and Prof. Dickey was nominated by acclamation.

Only one ballot was required to decide between Harry Coonse, the present deputy, and T. W. Clark of Nob Hill, for assessor. Mr. Coonse received 95 votes and Mr. Clark 29, and the nomination was made unanimous.

Dr. G. J. Hill presented the name of Dr. E. P. Heliker for coroner, saying that, though a new comer to Yakima, he had a fine reputation in Pierce county. No other name was presented and Dr. Heliker was nominated by acclamation.

Col. A. C. Walker placed W. F. Meloy of Zillah in nomination for the office of county surveyor. No one else was proposed and Mr. Meloy was named by acclamation.

For county commissioner for the first district Frank J. Kandle of Wenatchee and W. D. Thompson of Naches were before the convention, and on the first ballot Mr. Kandle was nominated, having received 109 votes.

Lafayette Pace of Sunnyside and J. A. Viles of Prosser were nominated for the commissionership of the third district. On the first ballot Mr. Pace was chosen, having received 106 votes.

Chairman Scudder called the attention of the delegates to the fact that announcement by the different precinct delegations of men to compose the county central committee for the coming year was in order. The roll was called, and the make-up of the committee, as far as determined on Saturday, is as follows: Alder Creek—James S. Donahoe. Ahtanum—D. B. Greenwald. Cowlitz—A. J. Lewis. Fairview—L. J. Rogers. Fruitvale—W. L. Wright. Kennebec—Rufus Fullerton. Kiona—J. H. Kennedy. Mabton—T. S. Phillips. Moxee—D. L. Peck. Naches—Abner Sinclair. Nile—D. A. Ball. Nob Hill—M. N. Richards. North Yakima, first ward—Dr. P. Frank.

North Yakima, second ward—C. M. Hauser.

North Yakima, third ward—Z. Y. Coleman.

Parker—W. P. Sawyer. Prosser—Jas. Pont. Rattlesnake—John A. Viles. Selah—Walter Clift. Sunnyside—Andrew Green. Toppenish—F. A. Williams. Wenatchee—John Cleman. White Bluffs—H. L. Rich. Yakima City—J. H. Thomas. Zillah—D. A. Fox.

Biographical Sketches.

IRA P. ENGLEHART.

The republican nominee for state senator was born in a mining camp in Stanislaus county, Cal., in 1867. He was educated in the public schools of the county, working out of school hours in the car and blacksmith shop of his father. At the age of 21 young Englehart made up his mind to study law. He took a spe-

cial course in the law school of Harvard University at Cambridge, Mass., and in 1892 removed to Yakima county. He was made prosecuting attorney in 1894, and made a good record. He was elected by Yakima to the house of representatives in 1899 and served as the chairman of the committee on appropriations. Of his work there, Representative McDonald, democrat, of King county, said, "He saved the state more money that year than any other member of the legislature." Mr. Englehart is one of the leading lawyers of the county and has had wide experience in public affairs. He is essentially a self-made man and one of high attainments.

CAPT. ROBERT DUNN.

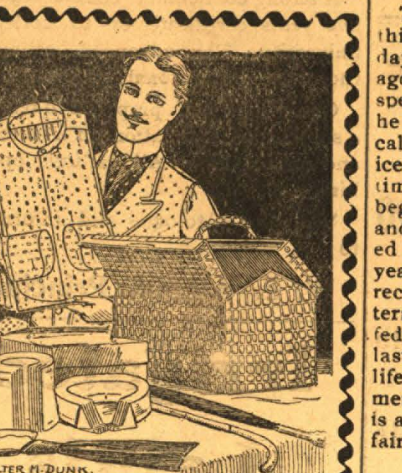

Robert Dunn, one of the republican candidates for representative, is of sturdy Scotch parentage, having been born in Edinburgh in 1837. When 17 years of age, he made up his mind that better chances were offered a young man in America than at home and he came landing in Nova Scotia in 1854. He worked in different places and became a citizen of the United States a short time after crossing the Atlantic. He was in Texas when the Civil War broke out and joined the regular army and served an enlistment of five years, rising from a private to a captaincy. With the close of his enlistment, Dunn naturally turned toward the west and became a frontiersman. Since 1876 he has lived in Yakima county. The only offices he has held have been the postmaster of this city and Parker. He has been a Republican ever since he became a citizen. He is a successful rancher, his farm at Parker being one of the best equipped of any in the county. His knowledge of the affairs and needs of the county constitute him one of the best citizens to take care of the interests of Yakima at Olympia. His popularity is attested by the fact of his nomination on the first ballot last Saturday.

DR. W. H. HARE.

Few men in Yakima have a wider range of acquaintances than the candidate from this city for the house of representatives. Dr. Hare was born in Barnesville, O., in 1855, and came to the Pacific coast in 1875. He has been in the Yakima valley since 1883 and is one of its foremost citizens. Though he has never held elective office, he has filled with ability and integrity the position of receiver of the land office, having been appointed by the late President Harrison. He has also been president of the State Fair Commission, receiving his appointment from Governor McGraw. His wide acquaintance and experience in the affairs of the county make him especially well qualified to represent this constituency in the legislature.

E. G. PECK.

The present deputy treasurer was born in Sauk county, Wis., in 1865. At the age of 17 he entered the service of the Chicago & Northwestern railroad as messenger and baggage man. A year later he was advanced to the position of telegraph operator. He was still later advanced to train dispatcher, which position he held until his departure for Yakima in 1894. Mr. Peck began life in Yakima as a fruit rancher and for five years was successful in that work. In 1899 he accepted the position of deputy treasurer, which office he holds at present. He has a complete knowledge of the fiscal affairs of the county. Mr. Peck

has also been clerk of the board of directors of school District No. 7 until a few weeks ago.

W. B. NEWCOMB.

The present deputy auditor, the nominee of the party for the office of auditor, was born in Wisconsin in 1871 and received his education in the public schools. He was telegrapher and station agent for the Chicago & Northwestern for a number of years, until in 1894 he removed to Yakima county and engaged in fruit ranching, in which he continued until appointed by Mr. Kelso his deputy in 1898. Since that time he has been in the auditor's office and is thoroughly acquainted with the affairs of the office.

J. W. DAY.

J. W. Day was born in Sioux county, Iowa, in 1872. He received his early education in the public schools of his native county and completed a course in the Northwestern Normal school. Upon quitting himself for teaching, he came to Washington and settled in Sunnyside, upon a ranch, and taught school in winter and ran his ranch in summer. Mr. Day continued in that manner until his appointment by Clerk Allen as his deputy. His three years in the office have given him a thorough knowledge of the duties of the office.

HARRY COONSE.

The present deputy assessor and the nominee for the office of assessor, was born in Lafayette, Ind., 32 years ago. He graduated from the high school of Indianapolis and came west in 1888, traveling much through the middle west and settling here in 1889. Mr. Coonse served as clerk in the land office for three years and for the past three years has been the efficient deputy of Assessor Scott. He is trained in the knowledge necessary for the successful conduct of the office and his experience especially fits him for the place.

A. L. DILLEY.

The candidate for sheriff began life on this coast, having first seen the light of day in Marion county, Oregon, 36 years ago. The last 25 years of his life he has spent in Yakima county. In private life he is a rancher, but his qualities have called him from home to the public service so persistently that he has had little time to devote to the ranch. Mr. Dilley began public life as deputy sheriff in 1890 and in the fall of 1894 the people promoted him to the shrievalty. He served two years as sheriff and made an enviable record for efficiency. At the close of his term he was called to the service of the federal government and it was not until last spring that he returned to private life. Mr. Dilley possesses every requirement for the office, not the least of which is an intimate acquaintance with the affairs of the office.

S. A. DICKEY.

Prof. Dickey was born on a farm in Pennsylvania, where, in country school and in Grove City college, he received his education. Beginning teaching in his native state, he removed to Puget Sound in 1883 where he continued his work as a teacher. In 1888 he was elected superintendent of Kitsap county, serving two terms in that capacity. In 1888 he was a delegate from his district to the state constitutional convention. He was elected to his present position in 1900.

WILLIAM P. GUTHRIE.

The present incumbent of the office of county attorney goes before the people with an excellent record for efficiency and economy. In the two years he has served the people of Yakima county he has lost but one case at bar and has kept the expenses of the office down as low as any of his predecessors in office, notwithstanding the fact that the business is larger, because of the foreclosure of delinquent taxes. Frivolous litigation has been suppressed and frequently Mr.

Guthrie himself has moved the dismissal of cases and had the costs placed upon the complainant who tried to bring unjust litigation. Mr. Guthrie was born in Monroe county, Ill., in 1869. He is a graduate of the Southern Illinois College and of the law department of the Illinois State University, supplementing his course in the office of H. J. Hamilton, now attorney general of Illinois. Since coming to North Yakima five years ago Mr. Guthrie has shown himself a lawyer of great ability. He has always been a republican.

LAFAYETTE PACE.

Lafayette Pace, the republican nominee for county commissioner in the third district, has been a resident of the state of Washington for ten years, eight of which he has been a resident of Yakima county. He came here from South Dakota, where he was a rancher. He has lived at Sunnyside during his residence in Yakima and has a fine ranch on which he grows fruit and general produce. He is thoroughly posted on land values and the conditions of ranching in this county, and will bring to the office of county commissioner the ripe knowledge which comes from long experience in actual contact with questions pertaining to the development of a county essentially agricultural.

DR. E. P. HELIKER.

The nominee for coroner was born in Brooklyn in 1865, but has been a resident of the state of Washington ever since he began practicing his profession. His early education was received at the schools of his native city, while his classical training was given at the Simpson Centenary college in Iowa. Dr. Heliker received his medical degree after a thorough course in New York and moved to Seattle in 1893. He was elected to the lower house of the state legislature in 1894 and again in 1895. In 1899 he was selected as city physician of Tacoma and county physician of Pierce county. For six years he was corporation physician of the Carbon Hill Coal Company. Dr. Heliker came to North Yakima early last spring.

After the Convention.

Speaking of thoroughbreds, Dan Goodman is entitled to honorable mention. He put up a great fight against the legislative ticket that won out. He put his whole soul into the scrap, and got so enthusiastic that he thought he had it won. At the height of his exultation he bet the price of a couple of dozen sheep that he had Englehart licked. After it was over he came around to the victors, and with a hearty handshake and a smile about 13 feet wide said: "It's off with us but I'm for the ticket. I was betting on Reed yesterday but if anybody wants to place a bet or two against Englehart and Hare now I'm ready to accommodate him." For senator in 1904, Dan Goodman.

H. B. Scudder made a first class presiding officer. His decisions were marked by fairness, and he handled the business of the convention with neatness and dispatch.

W. H. Gloyd, the Prosser candidate for representative, although defeated, made an excellent impression upon all who met him during the few hours he was in town Friday. Mr. Gloyd is one of the best men who have come to the county in the last year or two and he will be heard from in time to come.

They say that John Cleman made the best speech of the season. He had had hard luck picking the winners all day long, but he was in nowise discouraged. He was game, and came up smiling every time with four votes from good old Wenatchee on the wrong side of the tally sheet. Down at the end of the list came the coroner, and some bright man who

thought John's soul was filled with gloom, and that it was an appropriate time for a joke, got up and nominated him for the office. "Gentlemen," said the old warhorse as the laughter subsided, "I must decline the honor. I am not competent. But if somebody will nominate me for the corpse I'll accept, and think I can fill the office to the satisfaction of the entire public."

Col. John David Medill says that the ticket suits him to a dot. It makes very little difference whether Col. Medill is suited. The directions say take it, and the colonel will follow the directions to the letter whether he wants to or not. It was a remarkable convention in that there was no display of oratory. It is said that Congressman Jones, William M. Thompson and Ira Englehart spent ten days to two weeks getting their speeches ready. The man who lives next door to Thompson says William's rehearsals kept him awake until nearly sunrise every night last week.

S. J. Harrison's withdrawal of his name after it had been presented to the convention for representative was due to the fact that he did not know that the Sunnyside delegation had decided to unite on him. The lower country has no more enterprising and substantial citizen than Mr. Harrison, and many delegates were disappointed because they had no opportunity to vote for him. Had he not withdrawn a different story might have been told.

REPORT OF YAKIMA MARKETS

Weekly Summary of Conditions in Principal Agricultural Lines.

The Yakima County Fruit Growers' Union has been in operation now a little more than two months, with the result that it is pronounced to be a complete success in effecting a saving to the producer. From a membership of about 50, with which the project started, it now has an active membership of 133, with a score or more non-producers who seek to lend their aid and experience to the active grower.

General Manager J. M. Perry was asked by the REPUBLIC to outline the methods by which the union has proved to be the success claimed for it. "That it has proved to be the success it has," said he, "is seen in the fact that the membership has doubled since it commenced operations and now numbers every grower in this section of our prominence. There still remain a few at a distance up the valley, but these are coming in every day and asking questions and joining."

"The secret of the success," he continued, "lies in the fact that, by combining the growers are enabled to scatter the product of the valley and keep all markets supplied. In general it is true that not all is shipped by express to Seattle, as was practically the case last year. Our chief shipping points are Seattle, Tacoma, Spokane, Montana points, Gray's Harbor and other points on the Sound. The great saving comes in the substitution of car rates by freight in place of express rates. Last year it cost shippers 75 cents per hundred to ship their product; this year we are shipping largely in car lots of mixed stuff for 22 1/2 cents per hundred. As we have been shipping from 20,000 to 30,000 pounds a day for the past 30 days, the gain will be seen to be immense."

"Another element in saving comes from a proper study of the market conditions. There is that car loading on the track. It will be filled in a few moments. Now, I don't know where the car will go. I will receive advice and send it to the best market. I will place the place where the shipment is made. I happen to know that Seattle has three cars of fruit on hand this morning, mostly canteloupes. It would not be business to ship there would it? So I will find where those canteloupes are needed. We ship a good many mixed cars, a fact which helps in placing a car load, for not every place wants a straight car of goods. If someone, and we have come to be pretty well known now in the markets, wants a carload of canteloupes next week Wednesday, for instance, by letting me know, I can arrange to send him a carload of strictly fresh goods, and the buyer does not have to depend on guesswork as to where he can get goods on noice."

"Not all our shipments are sent by freight. Our express traffic to certain private dealers is immense. We average 200 boxes a day to such trade, because we can contract to ship that amount. The individual shipper cannot undertake to make such a contract for he might not be able to fill it. But we have so many to draw on that we can undertake any order."

"Have you any idea of the quantity of fruit your union has shipped out of North Yakima since the season opened?" was asked.

"Only in a general way. We have been too busy to foot up the books since the rush began. We average, say, 25,000 pounds a day, and have been doing so for a month, and on freight have 54 cents per hundred—you can figure it out."

FRUITS.
Local market conditions have changed somewhat during the past week owing to fruit crops coming in faster. This is especially true of peaches and plums, while apricots have about had their run. The canteloupe market on the Sound is pretty well glutted, and for shipment the fruit is bringing 50 cents a crate, with watermelons at 75 to 90 cents a dozen.

POTATOES.
The outlook for the crop of potatoes is one of promise of abundance. It is expected that the total output will be a quarter or a third larger than last year. Everything points to a good quality. Price prospects indicate a low rate. The Alaskan market is being supplied by California earlies, and Yakima, with her crop forced at present to almost a state of greenness, is crowded out of the northern trade. But many potatoes are

Owing to increased acreage the first two cuttings of alfalfa show up a heavier crop than usual. About 6 cars a day are being shipped from North Yakima and \$6 25 a ton is given on track here. Dealers say that on the west side of the Cascades the consumers are expecting low prices.

HOPS.
No sales of hops in the local market have been reported and the situation on the surface remains about as it was last week. Advice from the eastern yards give no change in the crop outlook. One comment from New York is as follows: The local market is without special features. Stocks are very small and firmly held, some holders asking more than we quote, but brewers are working on stock which they bought much earlier in the season, and which is lasting better than was expected owing to the cool summer."

The Lie is Traveling.

Mr. Barnes, the real estate man, this week handed the REPUBLIC the following letter from a man who was in North Yakima last week, looking for a location:

Hotel Foley, La Grande, Ore., Aug. 23, 1902.—Dear Sir: While stopping last night at La Grande I happened to pick up a paper, the Union Republican, from which I clipped the inclosed item: "The water is so bad at North Yakima that the people are alarmed for fear they may have an epidemic. Sickness is already prevailing to an alarming extent, says an exchange."

I am very anxious to hear from you about this matter, and have it fully explained.

Yours respectfully,
H. VAN SEMMERN.

This is an excellent illustration of the way a lie travels. The article upon which this item from the Union Republican of La Grande, Ore., was taken was first printed in the Seattle Times, and the Times refused to publish a correction.

\$100 Reward. \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer one hundred dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. Mr. and Mrs. S. H. Mason have returned from Cleveland.

A YOUNG LADY'S LIFE SAVED.

At Passaic, Colombia, by Chamberlain's Colic, Cholera and Diarrhoea Remedy. Dr. Chas. H. Utter, a prominent physician, of Passaic, Colombia, in a recent letter states: "Last March I had as a patient a young lady sixteen years of age, who had a very bad attack of dysentery. Everything that I prescribed for her proved ineffectual and she was growing worse every hour. Her parents were sure she would die. She had become so weak that she could not turn over in bed. What to do at this critical moment was a study for me, but I thought of Chamberlain's Colic, Cholera and Diarrhoea Remedy and as a last resort prescribed it. The most wonderful result was effected. Within eight hours she was feeling much better; inside of three days she was upon her feet and at the end of one week was entirely well." For sale by all druggists.
